**SYNCHROSKATE**  
The competition schedule has not been released to date. As soon as we learn this information it will be shared. Reminder that almond monies need to be returned asap if you have not done so. Regular practice for the next three weeks is extremely important to prepare for competition! All team members are asked to ensure that they are at practice. This is a team sport and its very difficult to practice if a team member is missing. Extra ice time has been added to assist with the competition preparation as well as off-ice practice will take place too. Watch for details!

All skaters will receive a certificate! Flyers with additional details will be placed into slots soon. Please RSVP so that we can plan to have enough food for all who are attending. **ANNUAL ICE SHOW**

All skaters are requested to attend both Tuesday and Thursday sessions from now until Carnival to assist with routine preparations!

**MARCH 28th**

All skaters from Canskate—Senior will skate in the **final dress rehearsal** before the big show. All skaters will need to be at arena in dressing rooms by 5:00 pm at latest to get into costume for rehearsal. It is extremely important for all skaters to participate in the full dress rehearsal which will be done by 7:30 pm.

**MARCH 30TH**

The show starts at 2:00 pm. We ask that all skaters be to the arena by 1:15 to report to their dressing room. We ask that skaters **not eat** with costumes on. Skaters may sit with family until 5 numbers before their scheduled routine when they will then need to attend to the holding room (dressing room #1). Skaters will need to leave costumes at the arena following the show. Help is still needed for the following jobs: Dressing Room Parents, Spot Light Operators, Set-Up Crew, & Tear Down Crew. If you can help please see board member in the lobby. Admission to show is Adults (12 & up)—\$5.00; children 4-11—\$3.00; 3 & under—Free. Tickets will be distributed this week for families to presell. Programs will be available for purchase as well as flowers.
