**Aunt Sarah's Simply Delicious Chocolate Bars will be sold until October 12th.** Chocolate Bars sell for **\$2.00 each** and come in a box of 30. All skaters are asked to please sell a box each. If we sell 75 cases we will make **\$1915.80 profit!!** Selling a box of chocolate bars qualifies you for a refund on your volunteer fees. If you can sell additional boxes please see member at table. The more we sell the more profit we make!!!

**Tuesday 5:45 to 6:30**  
**Thursday 5:50 to 6:35**

During the first few weeks skaters will be evaluated by our coaches and will be placed into the appropriate level group. Canskate is divided into five different colour coded levels. Once the skaters are placed in their groups they will be given their colour. This makes it easier for the skaters to remember which group they are in as well as if you have any questions you can refer to the colour group.

**All Canskaters must wear a CSA approved hockey helmet.**

Please stop by the table in the lobby every week to pick up name tags. After skating treats and / or stickers will be in the lobby for the skaters hard work too!

**PLEASE USE DRESSING ROOM #4 TO PUT ON SKATES INSTEAD OF IN THE CANTEEN AREA.**

**JUNIOR**  
**Tuesdays 4:55 to 5:50**  
**Thursdays 6:35 to 7:20**

Junior skaters will participate in the new programming laid out by Skate Canada for Star 1-5. Overview is posted on the bulletin board.

There are still spaces available for those Jr. Starskaters who are interested in private instruction. For more information please see a WSC member at the table.

**Jr. Starskaters please use dressing room #4.**

**SENIOR**

**Tuesday 4:00 to 5:05**  
**Thursday 5:00 to 5:45**

Senior Skaters are reminded that proper skating attire is required on the ice. Remember the right of way on freeskate session belongs to the skater who is "On Program" (skater whose music is being played). Skaters are to move out of the way of "On Program" skaters.

**Sr. Starskaters please use dressing room #5**

SKATE SHARPENING

It is important to ensure that skaters have sharp skates to allow the best opportunity for skill improvement. If your skates have not been sharpened yet this season it would be a great idea to have them done! It is recommended to sharpen once a month.
